What To Pack One-Page Checklist. This Web site features an extensively annotated copy of the packing list that I use, refined over many years (and many miles) of travel, both business and pleasure; it's intended to provide a convenient starting point for you to create a customized list of your own.. For actual use while packing, of course, a more compact format is preferable.

The name army ant (or legionary ant or marabunta [citation needed]) is applied to over 200 ant species, in different lineages, due to their aggressive predatory foraging groups, known as "raids", in which huge numbers of ants forage simultaneously over a certain area.. Another shared feature is that, unlike most ant species, army ants do not construct permanent nests: an army ant colony moves ...
