the word of God.{4} The Proper Care and Feeding of Husbands is a great resource for learning these important values and skills. God gives us great power as women. Dr. Laura says, "Men are borne of women and spend the rest of their lives yearning for a woman's acceptance and approval. . . . Men admittedly are putty in the hands of a woman they love.

Tuning machines normally need very little care other than periodic lubrication. Enclosed machines, the type with a cover over the gears, are lubricated by the manufacturer, but the open type should be lubricated once or twice a year. Just put a little household petroleum jelly on the end of a toothpick and place the jelly in the gears.
