Futures studies (also called futurology) is the study of postulating possible, probable, and preferable futures and the worldviews and myths that underlie them. In general, it can be considered as a branch of the social sciences and parallel to the field of history. Futures studies (colloquially called "futures" by many of the field's practitioners) seeks to understand what is likely to ...

I recently received an email from a Mr John Bemiss. He had been reading through my various posts about Ubon Ratchathani at around the time of the Vietnam war (you can find all these posts grouped together here) and decided to make contact.. I am glad he did as like everyone who has provided this blog with information about old time Ubon it makes for compelling reading and viewing.

In this last chapter of my book, I would like to describe the Christmas celebrations that we were able to experience with Bruno Gröning. It is certainly due to a remarkable spiritual guidance that I am able to write all of this down in my own peaceful and beloved home precisely at Christmas 1998, and therefore more than forty years after the events " as a gift, so to speak, dedicated to ...
