Commercial sheet music are published in conjunction with the release of a new album (studio, compilation, soundtrack, etc.). A matching folio songbook is a compilation of the music notation of all the songs included in that particular album. It typically has the album's artwork on its cover and, in addition to sheet music, it includes photos of the artist.

- If you wanted to share an electronic version of your diagram with someone, but they don't have Visio, one excellent option that's very popular is to convert it to PDF and then hand it off to them, even email it to them, all together in a group of steps that is automated for you. We're going to take a look at that now. So we're going to go up to File. Now earlier when we ...
