the foundations of freedom pdf

The Open Society Foundations work to build vibrant and tolerant democracies whose governments are accountable to their citizens.

Open Society Foundations

A foundation (also a charitable foundation) is a legal category of nonprofit organization that will typically either donate funds and support to other organizations, or provide the source of funding for its own charitable purposes. Foundations incorporate public foundations to pool funds (e.g. a community foundation) and private foundations who are typically endowed by an individual or family.
