Genius of the AND is a concept developed in the book Built to Last. Builders of greatness reject the "Tyranny of the OR" and embrace the "Genius of the AND." They embrace both extremes across a number of dimensions at the same time—purpose AND profit, continuity AND change, freedom AND responsibility, discipline AND creativity, humility AND will, empirical analysis AND decisive action, etc.

Raise a Genius! - 4 There is much truth in that. Thus it happens that a 6-year-old child joyfully crosses the threshold of the school in September, but by Christmas does not retain much of that joy. I believe you: one cannot form a creative person without independence, and one cannot guide even your children to the summit against their will.

While the rare books are at the heart of the display, Genius of the Book also offers many other ways to
explore, enjoy, and appreciate books and bookbinding. You can touch and feel some of the materials used in
books, including leather, fabric, and parchment, and see an early bookbinder's tools or a conservator's
modern equipment.
