21 "But choose men of ability from all of the people. They must have respect for God. You must be able to trust them. They must not try to get money by cheating others.

Obama Legacy

Intelligent design (ID) is a pseudoscientific argument for the existence of God, presented by its proponents as "an evidence-based scientific theory about life's origins". Proponents claim that "certain features of the universe and of living things are best explained by an intelligent cause, not an undirected process such as natural selection." ID is a form of creationism that lacks empirical ...
