

the history of erotic pdf

The history of erotic depictions includes paintings, sculpture, photographs, dramatic arts, music and writings that show scenes of a sexual nature throughout time. They have been created by nearly every civilization, ancient and modern. Early cultures often associated the sexual act with supernatural forces and thus their religion is intertwined with such depictions.

History of erotic depictions - Wikipedia

Erotic literature comprises fictional and factual stories and accounts of human sexual relationships which have the power to or are intended to arouse the reader sexually. Such erotica takes the form of novels, short stories, poetry, true-life memoirs, and sex manuals. A common feature of the genre is sexual fantasies on such themes as prostitution, orgies, homosexuality, sadomasochism, and ...
