Journal of Comparative Pathology | ScienceDirect.com

The Comparative Labor Law Journal was founded in 1976 to provide a venue for the very best scholarship in the comparative analysis of labor law, employment policy, and social security issues. In 1997, the Journal moved to the University of Illinois where it was renamed Comparative Labor Law & Policy Journal and its Editorial Advisory Board broadened better to reflect its mission.

Comparative advertising or advertising war is an advertisement in which a particular product, or service, specifically mentions a competitor by name for the express purpose of showing why the competitor is inferior to the product naming it. Also referred to as "knocking copy", it is loosely defined as advertising where "the advertised brand is explicitly compared with one or more competing ...

The law or principle of comparative advantage holds that under free trade, an agent will produce more of and consume less of a good for which they have a comparative advantage. Comparative advantage is the economic reality describing the work gains from trade for individuals, firms, or nations, which arise from differences in their factor endowments or technological progress.
